Dear Parents/Carers,

With all that is going on in our world I write to reiterate to you the health and safety of our participants, our staff and community are at the highest importance and that Watch would not do anything to jeopardise such health.

As a result of the coronavirus, Watch will be suspending some off site community programs such as Bowling, Rock n Roll, Public Pool Swimming and Shopping until further notice. We will be replacing those programs with Community Parks and Walks.

The safety and welfare of our clients and staff are our number one priority. We will continue to provide further updates as they come through from NDIA and other reputable Government sources. **So please stay informed.**

We thank you for your patience and understanding

Any queries please do not hesitate to ring Watch on 9562 3796
